The parties are in discussions to conduct a settlement conference in order to potentially resolve this matter short of trial. However, the party necessary to confirm settlement authority is not available until after the deadline for the Joint Pretrial Order. The parties feel that their resources would be better spent on trying to resolve the claim, than continuing the litigation process.

The parties agree that this is a valid and good faith reason for a continuance of the time to file the Joint Pretrial Order. Therefore, the parties respectfully request this Court continue the deadline for filing the Joint Pretrial Order, scheduled for August 21, 2023, for 30 days to **September 20, 2023**.
